

Cleaning Instructions & Prosoco Warning

WARNING: Always use a cleaner and weather proofer made specifically for the paver used. Always follow the manufacturer's recommendations. Always test products on a small inconspicuous area for results before using. Whitacre Greer does not endorse any products. Please consult all manufacturers fine print and read all directions on cleaners.

Exterior Cleaning

Clean Exterior Pavers with:

Sure Klean Vana Trol

- Safely softens and removes excess mortar and job dirt
- Slow drying so it rinses clean without streaking
- Controls vanadium and manganese staining on color sensitive pavers
- Safe for use on colored mortars

Weather Proof Exterior Pavers with:

Consolideck Saltguard WB

- Penetrates to produce long-lasting protection
- Water-based formula
- Low odor
- Treated surfaces “breathe” and doesn’t trap moisture
- Effective protection against deicing salts and salt air
- Complies with all known national, state, and district AIM VOC regulations

Interior Cleaning

Clean Interior Pavers with:

Enviroclean Safety Klean

- Effective for cleaning mortar smears and other common construction soiling
- Replaces traditional mineral and organic acid products
- Low odor and water-rinseable
- Environmentally responsible

Protect Interior Pavers with:

Standoff SLX100 Water and Oil Repellent

- Provides long-lasting protection against water, food, and oil staining
- Won't change color of treated surfaces
- Treated surfaces “breathe” and doesn't trap moisture
- Higher coverage rate than typical water repellents or stain resistant impregnators
- Complies with all known national, state, and district AIM VOC regulations
